

DECORATIVE SnowCatcher

Mill Finish: \$5.00 ea / 25 piece minimum
Painted Finish: \$6.00 ea / 100 piece minimum

- Maple Leaf, Sun Burst, Fleur-De-Lis, Mustang Shapes.
- Each decorative guard is made from 304 grade stainless steel, with 11 available TGIC Polyester powder coated colors.
- The large forward mounted 4.5" Wide face provides a generous holding field and the 1.9" wide base fits most 36" panels with 9" flats.
- The Professional test results show these snow guards hold up to 1866 pounds and the durable construction does not get brittle like cheap fabricated cast guards.

SN BAR

COLORBAR

COLOR RAIL

The Original SnoBar System, Patented and Field Proven Since 1992!

Free custom quotes based on your project specifications. Approved layouts include free lifetime warranty on parts and finish. All prices are per linear foot based on 12' bar lengths. SnoBar features the industry's only top-loading 12 ga. stainless steel clamp that allows for quick and easy "no-feed" bar installation. Clamps at every seam for superior load distribution.

We offer the shortest lead times in the industry!
